	Title	Theme	Synopsis	Please tick
Titles	I Spy with My Eyes	The human body	<p>Pepper's glasses are broken and her vision is blurred without it! This is made worse when Jo cannot recall where she placed Pepper's new glasses. Join Pepper and Jo as they go on a journey to search for the missing glasses and discover fascinating facts about our eyes and optical illusions!</p> <p>At the hands-on activity segment, children will further their fine motor skills and hand-eye coordination and acquire skills such as observing and inferencing.</p>	
	The Amazing Cabbage	Chemistry	<p>A sudden downpour has brought Win and Pepper to a crossroad and led them to The Magic Forest. It is almost sunset and they need to think fast! Which route should they take? Escape The Magic Forest with Win and Pepper as they work together to find the way out while warding off the nasty creatures lurking in it!</p> <p>At the hands-on activity segment, children will be exposed to pH indicators and acquire skills such as observing, identifying and predicting.</p>
