

When I Grow Up...

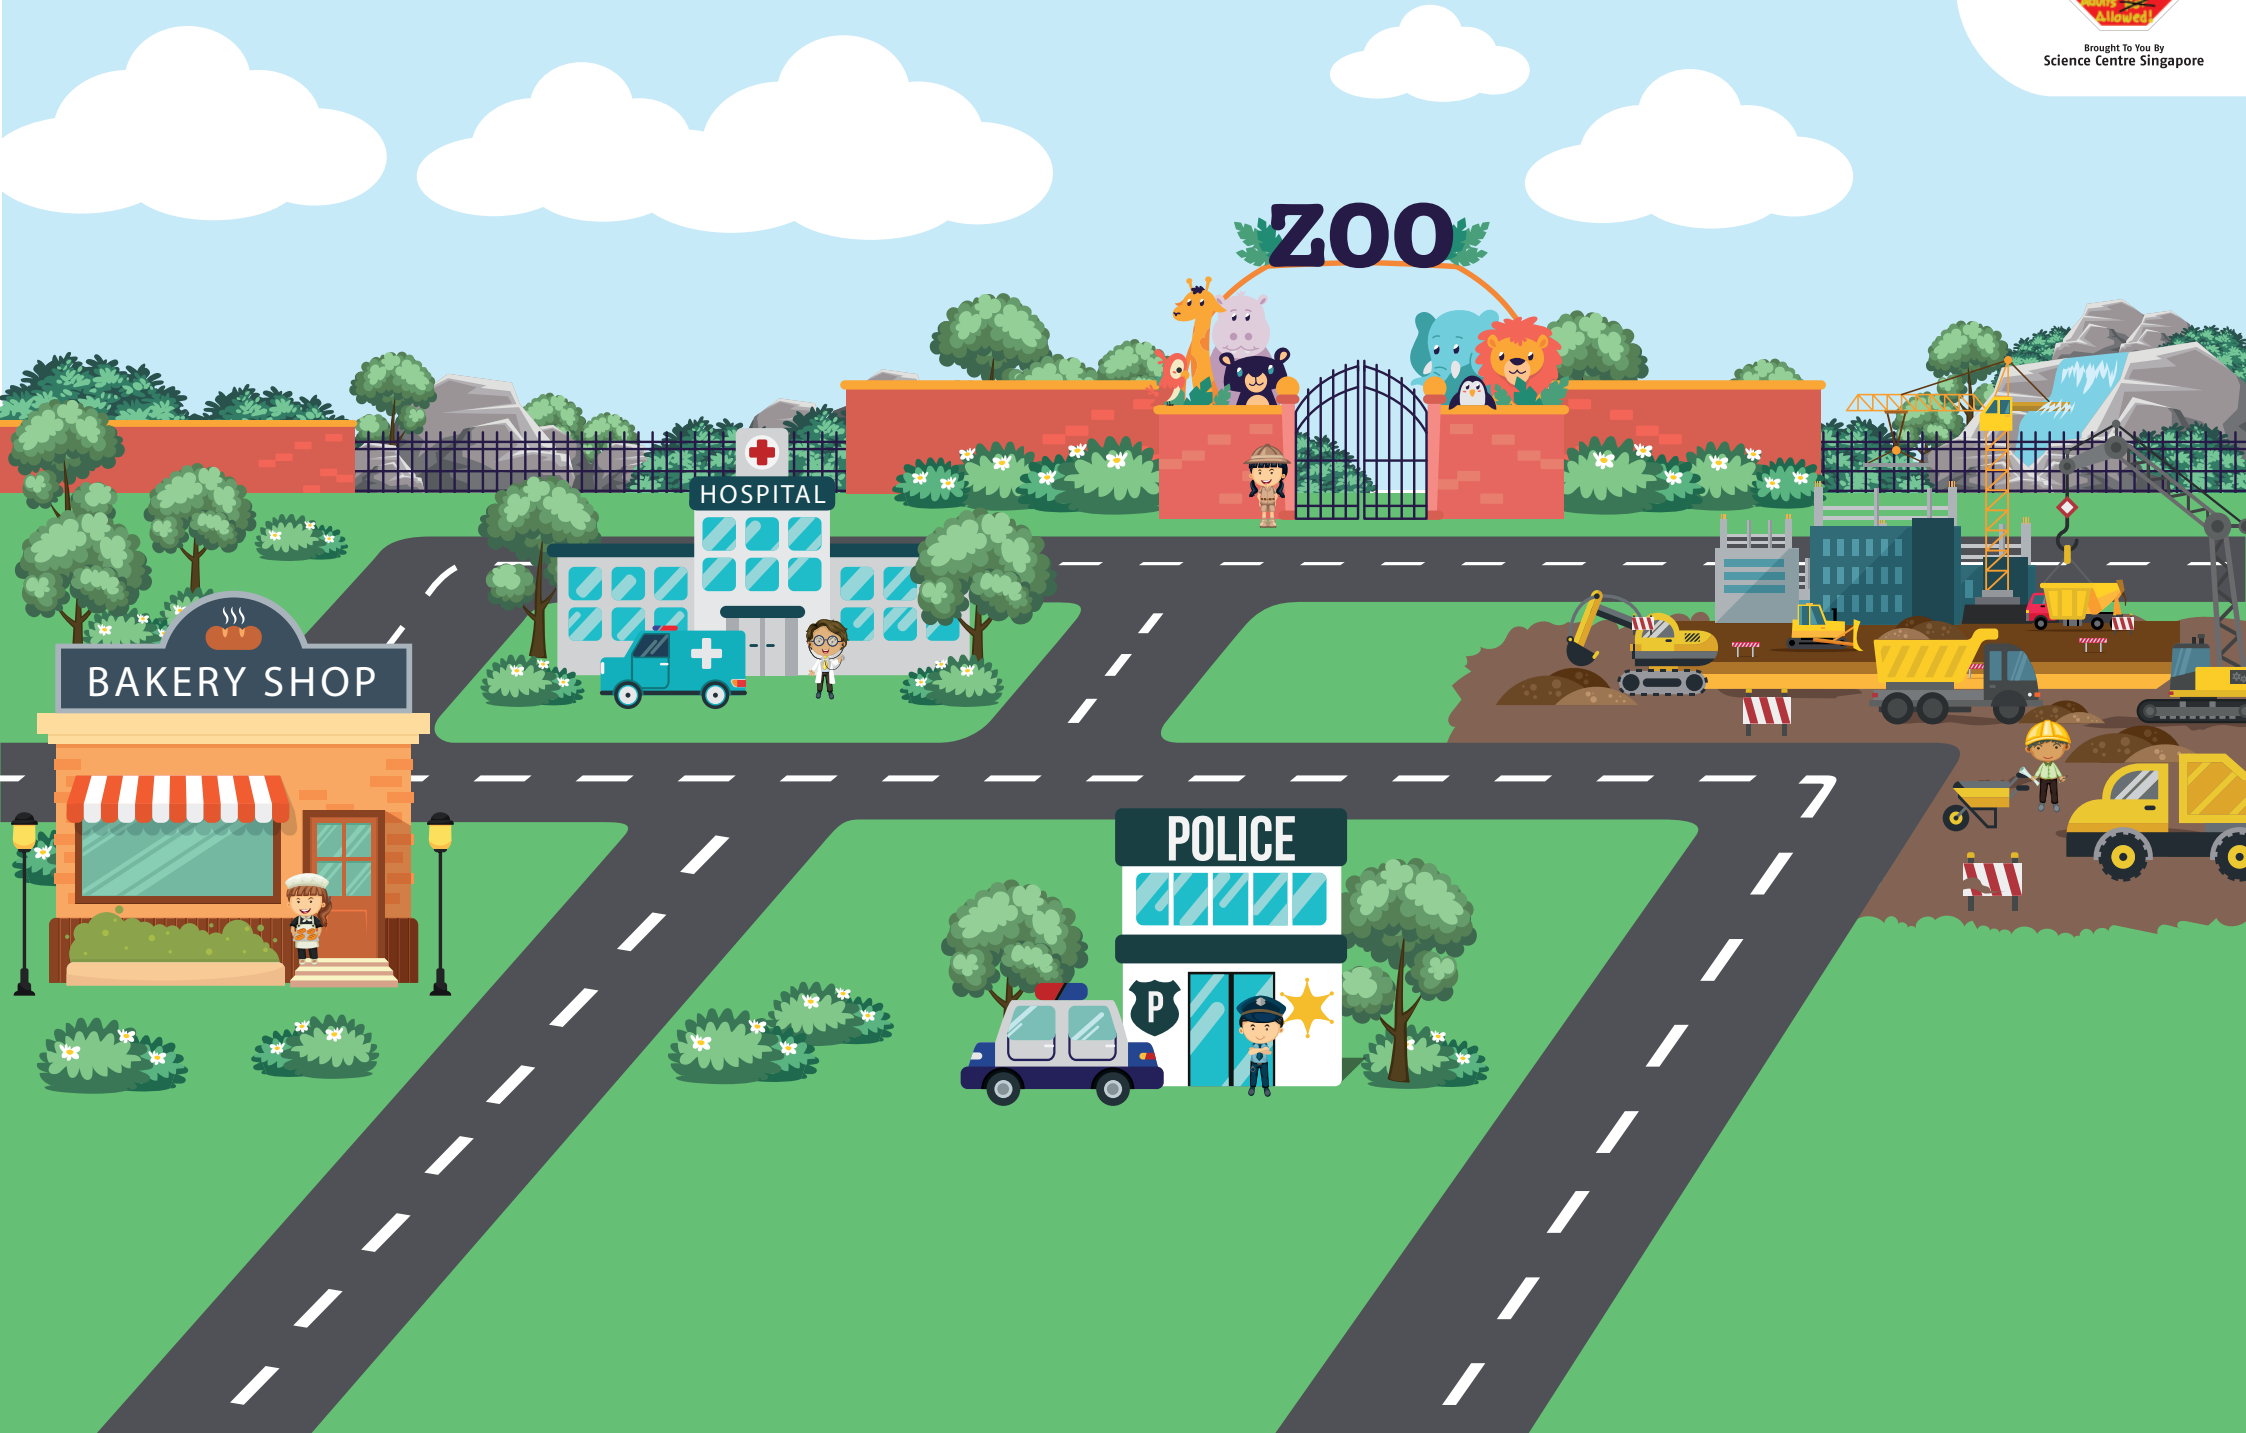

Brought To You By
Science Centre Singapore

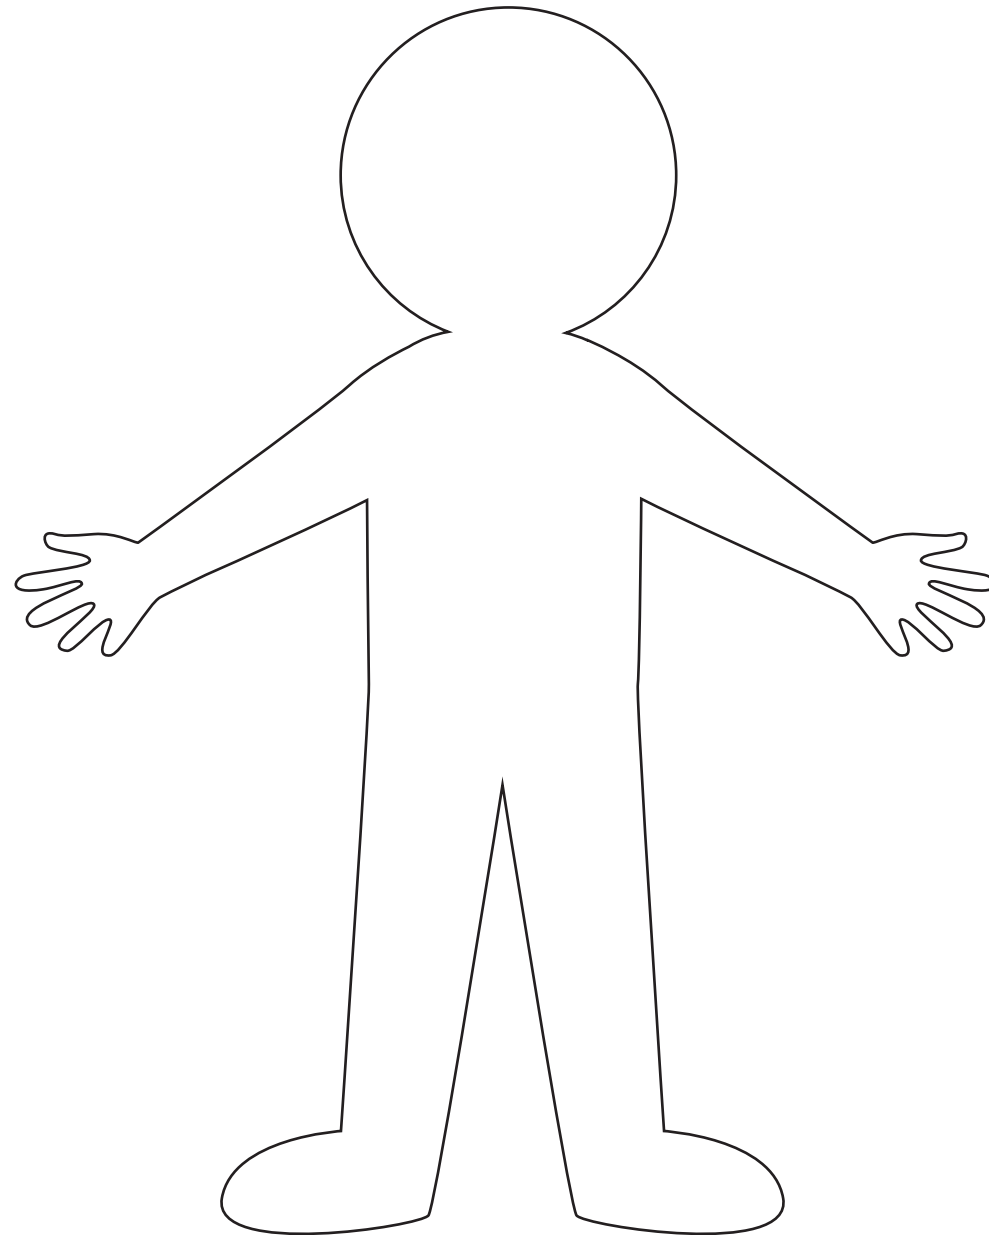

Name:

Can you find 5 people in here? Who are they?

Draw what you want to be when you grow up!

PARENT'S CORNER

Try this at home with your children!

Create your own neighbourhood using cardboard boxes!

Encourage children to observe their surroundings and also the people who work in the neighbourhood.

Each and every job is important to keep the neighbourhood safe, clean, and running smoothly!
